Here is what you need to know!

A minimum of \$5 in pledges is required in order to participate in the Color Run and Walk.

See reverse for more information about prizes and incentives!

A huge thank you to everyone who helped make last fall's Color Run a success! With the just over \$5000 profit we made we were able to host Comedy Sportz for a semester incentive, rent two inflatables for West Fest, install two water bottle filling stations, add more picnic tables to the courtyards, hang frames for student artwork in the learning labs, and purchase yard games and outdoor equipment for house and building incentives.

This fall's Color Run and Walk will take place on Friday, October 12th. Profits from this year's

event will again go towards the semester 1 incentive and West Fest. We also hope to add more water bottle filling stations, and continue to look for ways to update the décor of our building, both inside and out.

Students will be able to collect donations in person, or create a personal website that will accept credit card donations which can be shared via social media. The donation drive ends with the Color Run, a fun and healthy way for students to raise money for West.

Our total donation goal is \$7500!
