Here is what you need to know!

A minimum of \$5 in pledges is required in order to participate in the Color Run and Walk.

See reverse for more information about prizes and incentives!

A huge thank you to everyone who helped make last fall's Color Run a success! With the \$5500 in profit we made we were able to host Comedy Sportz for a semester incentive, rent two inflatables for West Fest, install a water bottle filling station in the 6th grade wing, add picnic tables and new basketball nets to our outdoor recess area, and purchase other incentives for events held throughout last school year.

This fall's Color Run and Walk will take place on Friday, October 11th. Profits from this year's

event will again go towards the semester 1 incentive and West Fest, plus portable speakers to go with the new sound system that was purchased last spring. We also hope to continue to add to what we hope will one day be an outdoor classroom, plus find ways to add inspirational décor to the new flexible learning spaces that were created this past summer.

Students will be able to collect donations in person, or create a personal website that will accept credit card donations which can be shared via social media. The dona-

tion drive ends with the Color Run, a fun and healthy way for students to raise money for West.

Our total donation goal is \$7500!
